

## REPUBLICAN VICTORY JUBILEE NIGHT IS BIG IN ERIE

Five Hundred People From Surrounding Towns Help To Celebrate Last Night

(Special to The Argus.)  
Erie, Nov. 17.—Twelve hundred Republicans and Democrats joined in the Republican jubilee held last evening in Erie. Machine loads came in from surrounding cities to spend the evening in celebration of the victory of the Grand Old Party.

The Ladies Aid society of the First Methodist church served a free supper to 1,000 people in the parlors of the church. The Republican committee, through subscriptions, paid for the supper and gave the society \$70 for its work. Mrs. George Mauer, president of the society, was in charge of the supper.

The auditorium was packed in the evening, even the standing room being filled to the limit. Rev. E. E. Hudson of the Methodist church was the speaker of the evening. History of the Republican party was given by the pastor. The mixed orchestra, led by William Bieles, furnished the music. Mrs. E. E. Hudson sang several patriotic songs and the Erie High School Girls Glee club gave selections. Miss Anne Adams was the accompanist.

At the close of the program the American legion sponsored a dance at the auditorium. The floor was filled with young people, many coming in from nearby towns. The chairman of the committees in charge of the jubilee were: Finance, Henry Bare; arrangements, A. J. printing, Bert Turner; speaker, R. L. Burchell; supper, Paul Carlson; amusements, Bert Hyam, and music, A. A. Matthews.

**ADVENTURE DRAWS THEM.**  
Springfield, Ill., Nov. 17.—(United Press.)—Adventure spelled with a big A draws approximately five hundred boys and girls of smaller cities to Chicago every year, according to the annual report of the chief probation officer of Cook county.

This is the number returned home by the police or taken care of by the court. As many more probably escape attention altogether.

**POLES MASSING TROOPS.**  
Berlin, Nov. 17.—Confidential reports that the Poles are massing large masses of troops near the frontier of Upper Silesia, have been received by the German government, says the Lokal Anzeiger. The attention of France, Great Britain and Italy has been called to the situation, the newspaper declares.

**FOUR INJURED.**  
Elgin, Nov. 17.—Four men were badly injured today when ten coal cars on the Elgin, Joliet & Eastern jumped the track near Elgin. The injured were rushed to Elgin hospitals. All will recover.

## PLANS AIRPLANE DASH FOR POLE

JOHN L. COPE

London.—An airplane dash to the south pole! This is the goal of John L. Cope, who is the head of a party which is now enroute to the Antarctic to make a survey for the British imperial Antarctic expedition, following which Cope will enter on a 5-year push into the land of ice to the south. It is planned to bring the expedition to a climax with an airplane dash for the pole.

**DRIVEN BY GALE.**  
Boston, Mass., Nov. 17.—(United Press.)—Shipping was endangered today in a northeast gale which drove heavy seas against the north Atlantic coast.

Scores of small vessels and boats were driven ashore and water front property was damaged.

## Curling Hair This Way Preserves Its Beauty

That dull, dead appearance of the hair no longer troubles the woman who has adopted the almonde method of keeping her tresses in curl. The result is very different from that produced by the drying, devastating waving iron. The hair appears more naturally wavy and curly, and the application is really beneficial to the life and growth of the hair.

Any breaking out or skin irritation on face, neck or body is overcome quickest by applying Mentho-Sulphur, says a noted skin specialist. Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation that instantly brings ease from the itching, burning and irritation.

Mentho-Sulphur heals eczema right up, leaving the skin clear and smooth. It seldom fails to relieve the torment of disfigurement. A little jar of Mentho-Sulphur may be obtained at any drug store. It is used like cold cream.

## Boy Scout News

Troop No. 24 met at the Legion hall last evening with Scoutmaster Will Aster. Nearly all members of this troop were present and real practice for the next scout rally

was had. The troop is making splendid headway in scouting under Mr. Aster's leadership.

Troop No. 22 met at St. Joseph's school last evening with Scoutmaster Steve Miller. This troop is still engaged in its campaign for 100 members before the first of the

year. Much interest is being shown in the absence of Scoutmaster E. L. and with the large number of scouts attending every meeting the

scoutmaster of the troop requires the assistance of a group of assistant scoutmasters. These are being looked for and will be on the job

within the next few weeks.

Troop No. 11 will meet at the new Washington school this evening with Scoutmaster Joseph Beal who will have charge of the entire troop

Ballard who is out of the city for the week.

**PUT GUN IN TOOL HOUSE.**  
Sheboygan, Wis., Nov. 17.—A big sledge gun used by the Germans in the recent world war and secured for Sheboygan by Congressman Edward Voigt and Mayor Herman Albrecht, will remain in the city tool house instead of finding a place as

an ornament in one of the parks, following a majority vote by nine Socialist members of the common council.
